

Salvatore Ingrassia, Ph.D.

Department of Economics and Business, University of Catania
Corso Italia 55, 95129, Catania, Italy.¹

Nationality: Italian
Family status: Married
Telephone (Work): +39 095 7537732
Date of birth: February 14th, 1960

E-mail: salvatore.ingrassia@unict.it
Web: <http://www.dei.unict.it/docenti/salvatore.ingrassia>
<http://www.datasciencegroup.unict.it/content/salvatore-ingrassia>
ORCID: orcid.org/0000-0003-2052-4226

Position

- *Professor of Statistics*, since July 2001 to present.

Education

- *Research Fellow*, Département d'Intelligence Artificielle et Mathématiques (DIAM), Ecole Normale Supérieure de Cachan (France), 1993-1994.
- *Ph.D. in Applied Mathematics and Computer Science*, University of Naples (Italy), 1991; Ph.D. Thesis: *Spectra of Markov chains and optimization algorithms (Spettri di catene di Markov e algoritmi di ottimizzazione)*.
- *Degree in Electrical Engineering*, University of Catania (Italy), 1986.

Academic Appointments

- *Professor*, Department of Economics and Business, University of Catania, November 2005 to present.
- *Professor*, Department of Economics and Statistics, University of Calabria, July 2001 to October 2005.
- *Associate Professor*, Department of Economics and Statistics, University of Calabria, November 1998 to June 2001.
- *Assistant Professor*, Faculty of Economics, University of Catania, October 1991 to October 1998.

Research Interests

- Classification and Clustering, Model-Based Clustering, Mixture Models, Computational Statistics, Multivariate Statistics, Statistical Learning, Neural Networks. In such fields he is author of several articles published in many top scientific journals

Membership of Professional Societies

- Italian Statistical Society (SIS), International Federation of Classification Society (IFCS), International Statistical Institute (ISI), International Association for Statistical Computing (IASC), Italian Mathematical Society (UMI), Classification and Data Analysis Group of the Italian Statistical Society (CLADAG).

Editorial Services

Editorial Board Memberships

- *Statistical Methods and Applications*: Associate Editor, 2013-2019.
- *Advances in Data Analysis and Classification*: Associate Editor, 2014 to present.

¹Last update: February 12, 2023.

- *Computational Statistics and Data Analysis*: Associate Editor, 2015 to present.
- *Silesian Statistical Review*: member of the Editorial Board, 2016 to present.
- *Cracow Review of Economics and Management*: member of the Editorial Board, 2020 to present.
- *Econometrics Ekonometria. Advances in Data Analysis*: member of the Editorial Advisory Board, 2021 to present.
- *Induzioni*: member of the Scientific Committee, 2022 to present.

Guest Editorships

- *Advances in Data Analysis and Classification (ADAC)*, special issue on "Models and Learning in clustering and classification", Guest Editors: Salvatore Ingrassia Julien Jacques and Weixin Yao, **1**, 2022
- *Computational Statistics & Data Analysis (CSDA)*, The 4th Special Issue on Advances in Mixture Model, Guest Editors: Jochen Einbeck, John Hinde, Salvatore Ingrassia Ingrassia, Tsung-I Lin and Paul D. McNicholas, **132**, 2019
- *Advances in Data Analysis and Classification (ADAC)*, special issue on "Advances on model-based clustering and classification", Guest Editors: Sylvia Frühwirth-Schnatter, Salvatore Ingrassia and Agustin Mayo-Isacar, **9**, 2019
- *Econometrics and Statistics (ES)*, "Special Issue on Mixture Models", Guest Editors: John Hinde, Salvatore Ingrassia, Tsung-I Lin and Paul McNicholas, **3**, 2017.
- *Advances in Data Analysis and Classification (ADAC)*, special issue on "New Trends on Model-Based Clustering and Classification", Guest Editors: Gérard Govaert, Salvatore Ingrassia and Geoff McLachlan, **9(4)**, 2016.
- *Computational Statistics and Data Analysis (CSDA)*, 3rd special issue on "Advances in Mixture Models", Guest Editors: John Hinde, Salvatore Ingrassia, Tsung-I Lin and Paul McNicholas, **93**, 2016.
- *Advances in Data Analysis and Classification (ADAC)*, special issue on "Model Based Clustering and Classification", Guest Editors: Hans-Hermann Bock, Salvatore Ingrassia and Jeroen Vermunt, **7(3)**, 2013 and **8(1)**, 2014.

Reviewer Activities for Scientific Journals

- *Advances in Data Analysis and Classification, Biometrika, Communication in Statistics: Theory and Methods, Computational Statistics, Computational Statistics & Data Analysis, Journal of Applied Statistics, Journal of Classification, Journal of Multivariate Analysis, Journal of Statistical Computation and Simulation, Journal of Vibration and Control, Journal of the Royal Statistical Society B, Journal of the Royal Statistical Society C, Journal of Statistical Software, Metron, Multivariate Behavioral Research, Neural Networks, Optimization Methods and Software, Psychometrika, Revista Colombiana de Estadística, Statistica, Statistica Applicata, Statistical Methods and Applications, Statistics and Computing.*

Project Reviewer

- National Research Funding Competition - Programa FONDECYT Regular - Chile (2019)
- Natural Sciences and Engineering Research Council of Canada (NSERC) - Reviewer for Application for a Discovery Grant / CRSNG (2011, 2014)

Other Services

- Election Committee Member of the International Federation of the Classification Societies (IFCS), 2022-
- President of the University Assessment Unit of the University of Catania (2021-2025)
- Member of the University Assessment Unit of the University of Napoli "L'Orientale" (2015-2021)
- Elected Member of the International Statistical Institute (ISI), 2020-
- Member of the Executive Board of the Italian Statistical Society, 2020-2023
- Co-chair of the specialized team on "Mixture Models", ERCIM WG on "Computational and Methodological Statistics", 2020-
- Member of the Board of the "International Federation of the Classification Societies" (IFCS) (2018-2022).
- Quality Assurance referee for the ANVUR - Italian Agency for the Evaluation of Research and Universities Institutes (from 2017)
- Quality Assurance Chief Officer at University of Catania (2017-2021)

- Member of the *Board of Directors* of the "*International Association for Statistical Computing*" of the International Statistical Institute (2016-2020).
- Member of the University Assessment Unit of the University of Cagliari (2015-2021)
- President of the *Classification and Data Analysis Group (CLADAG)* of the Italian Statistical Society (2015-2017).
- Vice-President of the *Classification and Data Analysis Group (CLADAG)* of the Italian Statistical Society (2013-2015).
- Head of the Department of Business and Management, University of Catania (2010-2012).
- President of the Scientific Advisory Board of "Economics and Statistics", University of Catania (2009-2011).
- Deputy-Head of Department of Economics and Statistics, University of Calabria (2003-2005).
- Teaching Director, Master in Statistics, University of Calabria (2003-2005).
- Teaching Director, B.A. in Statistics, University of Calabria (2001-2005).

Scientific and Organizing Committee Activities

- 17th Conference of the *International Federation of the Classification Societies (IFCS 2022)*, Porto (Portugal) July 19-23, 2022 (Member of the Scientific Program Committee).
- 10th Conference International Conference on *Soft Methods in Probability and Statistics (SMPS 2022)*, Valladolid (Spain), September 14-16, 2022 (Member of the Scientific Program Committee).
- 5^o International Workshop on *Model Based Clustering and Classification (MBC²)*, Catania (Italy), September 2-4, 2020 (Chair and Local Organizer).
- Meeting of the Italian Statistical Society on *Smart Statistics for Smart Applications*, Milano (Italy), June 18-21, 2019 (Member of the Program Committee)
- *CMStatistics 2018 - 11th International Conference of the ERCIM Working Group on Computational and Methodological Statistics*, Pisa (Italy), December 14-16, 2018 (Member of the Program Committee).
- 4th International Workshop on *Model-Based Clustering and Classification (MBC²)*, Catania (Italy), September 5-7, 2016 (Chair and Local Organizer).
- *ECDA 2018 – European Conference on Data Analysis* (Joint conference of Classification Societies: SKAD, GfKI, BCS, CLADAG and EuADS), Paderborn (Germany), July 4-6, 2018, (Member of the Scientific Program Committee).
- *ECDA 2017 – European Conference on Data Analysis* (Joint conference of Classification Societies: SKAD, GfKI, BCS, CLADAG and EuADS), Wroclaw (Poland), September 27-29, 2017, (Member of the Scientific Program Committee).
- 17th Conference of the *International Federation of the Classification Societies (IFCS 2017)*, Tokyo (Japan), August 8-10, 2017 (member of the Scientific Program Committee).
- 3rd International Workshop on *Model-Based Clustering and Classification (MBC²)*, Catania (Italy), September 5-7, 2016 (Chair and Local Organizer).
- 22nd International Conference on *Computational Statistics (COMPSTAT 2016)*, Oviedo (Spain), August 23-26, 2016 (Member of the Scientific Program Committee).
- International Conference on *Information Complexity and Statistical Modeling in High Dimensions with Applications (IC-SMHD 2016)*, Cappadocia (Turkey), May 18-21, 2016 (Member of the Scientific Program Committee).
- Awards Committee promoted by the *International Federation of the Classification Societies*, 2014-2015 (Chair of the Award Committee).
- 2nd International Workshop on *Model-Based Clustering and Classification (MBC²)*, Catania (Italy), September 3-5, 2014 (Chair and Local Organizer).
- 9th Scientific Meeting of the "Classification and Data Analysis Group (Cladag) of the Italian Statistical Society", Modena (Italy), September 18-20, 2013, (Member of the Scientific Program Committee).
- International Workshop on *Model-Based Clustering and Classification (MBC²)*, September 5-7, 2012 (Chair and Local Organizer).
- 8th Scientific Meeting of the "Classification and Data Analysis Group (Cladag) of the Italian Statistical Society", Pavia (Italy), September 7-9, 2011, (Chair of the Scientific Program Committee).
- IEEE International Conference on Data Mining, Beijing, China, 8-11 November 2019 (Member of the Program Committee).
- 7th Scientific Meeting of the "Classification and Data Analysis Group (Cladag) of the Italian Statistical Society", Catania (Italy), September 9-11, 2009, (Local Organizer).

Main Research Projects

- Principal Investigator of the Research Unit, Granted Project FIR 2014 (University of Catania) on *Mixture models with covariates: methods and applications for prediction of the corporate financial distress in EU countries*.
- Member of the Granted Project FIRB 2011: *Mixture and latent variable models for causal inference and analysis of socio-economic data* (Principal Investigator: Prof. F. Bartolucci).
- Principal Investigator of the Research Unit of Calabria, Granted Project PRIN 2004 on *Indicators and Statistical Methods for Governance of University*.
- Principal Investigator of the Research Unit of Catania, Granted Project PRIN 2006 on *Statistical Models and Economic relevance for impact analysis with non-linear relationships*.

Teaching Experience and Activities

Courses for Ph.D. programs in Statistics

- *Mixture Models*, Ph.D Course in "'Economics, Management and Statistics" University of Messina (Italy), 2021
- *An Introduction to Finite Mixture Modeling*, Ph.D Course in "Statistics" University of Bologna (Italy), 2014-2015,
- *Estimation Theory, Confidence Intervals and Hypotheses Testing*, Joint Research Center of the European Community, Ispra (Italy), School for Graduate and Post-Graduate Training and Education (Italy), Joint Research Center of the European Community, Ispra (Italy), 2007.

Courses for MSc programs (Economics, Mathematics, Statistics),

- *Data Analysis, Statistics for Business, Statistical Inference, Statistical Learning* offered at the University of Catania and University of Calabria (Italy).

Courses for BSc programmes (Economics, Engineering, Mathematics, Statistics)

- *Statistics, Probability Theory, Statistical Quality Control*, offered at the University of Catania and University of Calabria (Italy).

Courses for Professional Workers

- *Data Mining and Neural Networks*, offered at SAS Institute, Italy.

Languages

- Italian (mother tongue), English and French (fluent).
